

Bangalore Metropolitan Round Table 44 is a non profit community service organization of young men and a part of the Round Table India movement. As part of its community service activities BMRT 44 has set up the ROUND TABLE school at Roopena Agrahara, Hosur Road, Bangalore and provides free education from Nursery to 10th standard to more than 600 poor children of nearby surrounding areas.

The ROUND TABLE school is completely free. We do not charge our students for either admissions, entrance, tuition, monthly fees or their education. In addition to free education the ROUND TABLE school also gives the children free mid-day meals on every working day of the school.

This has been possible due to the donations and financial assistance received from socially conscious corporate and individuals over the past many years.

There are many ways in which one can contribute and support the cause of the ROUND TABLE School – to give children the most powerful and valuable asset of all – Freedom through Education. Some of the ways are,

FEED A CHILD

Donate Rs.5,000/- and you can participate in the mid-day meal program of providing the children with a nutritious meal on every working day of the school. Choose any day of your choice – a Child’s Birthday, an Anniversary, a Remembrance Day, etc. On this day, the sponsor’s name is read out along with his/ her message and the children thank him/her for the kindness shown, in a touching little ceremony.

EDUCATE A CHILD

Gift a child a year’s education for Rs.10,000/- you can sponsor one or more children. Each child is informed about their sponsor and you are always welcome to visit the child, follow – up on their grades, motivate them, guide them, ask them to work harder, etc.
